The Public Law Project

The Public Law Project (PLP) is a national legal charity which aims to improve access to public law remedies for those whose access to justice is restricted by poverty or some other form of disadvantage. Within this broad remit PLP has adopted three main objectives: increasing the accountability of public decision-makers; enhancing the quality of public decision-making; and improving access to justice. PLP undertakes research, policy initiatives, casework and training across the range of public law remedies.
